re: MUR 3774

Dear Mr. Long:

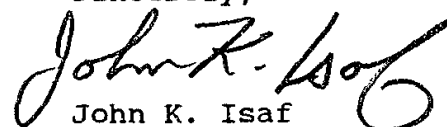

On May 24, 1993, the American Defense Foundation (ADF) received a letter dated May 20, 1993 from Jonathan A. Bernstein, assistant general counsel to the Federal Election Commission (FEC). The letter informed ADF that it had 15 days after receiving the letter to respond in writing to the FEC's inquiry (MUR 3774).

ADF would like to request an extension for responding from June 8th to June 22nd. ADF believes there are two compelling factors why the FEC should consider this request:

- o ADF's Executive Director is currently unavailable to direct the organization's response. He is fulfilling a Naval Reserve commitment in Charleston, SC until June 14; and
- o ADF would like to consult legal counsel to prepare a written response in order to sufficiently demonstrate why no action should be taken against ADF.

Please call me as soon as possible with your decision. Thank you for your time and consideration.

Sincerely,

John K. Isaf
